EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael S. Gzybowski on 3-15-06.

3. The application has been amended as follows:

In Claim 1(Patent Claim 1),

on lines 2 and 9: change "a"(first) to --an air permeable--;

on line 17: change "and being excluded form" to --, being excluded from--;

on line 18: change "directed" to --direction--.

4. Claims 1-9 are allowed.

5. The specification filed May 18, 2004 as amended 2-11-05 and 12-27-05 and the abstract of 11-19-03 are considered to replace the originally filed specification and abstract.

6. The drawings were received on 1-29-01, Figures 1 and 5, 3-24-03, Figure 3, and 5-11-05, Figures 2, 4 and 6-11. These drawings are approved by the Examiner. Note the attached PTO-948.

Art Unit: 3761

7. The following is an examiner's statement of reasons for allowance: See comments in paragraph 4, lines 1-14 of the 8-25-05 Office Action. See lines 2 and 9-19 of claim 1 as well as the specification at page 2, lines 14 et seq, page 10, lines 2-6, the paragraph bridging pages 11-12, the paragraph bridging pages 12-14, lines 12-16 thereof and the last paragraph on page 16. None of the prior art references alone teach the claimed structure of the at least one groove in combination with the other structure claimed in claim 1. Furthermore, although the prior art references teach many different groove patterns, no combination of the prior art necessarily and inevitably teaches the claimed structure of the at least one groove in combination with the other structure claimed in claim 1. With regard to claim 4, such claim is interpreted in light of the paragraphs bridging pages 10-11 and 12-14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
